Day walks are on the menu at every hub — pick what suits you on the day.

HOW WE ROLL

Everything is optional — your safari, your choice. Each evening at Happy Hour we plan the next day's options and split into groups. Weather calls the shots, WhatsApp keeps us together, and the taxi-van is \$4 a leg (TBC). Route is approximate — stops & order may change.

Above all: good company · shared adventure · freedom to roam — it's your trip!
